The 21-Day Sugar Detox Diane Sanfilippo, 2013-10-29 SUGAR IS TAKING OVER OUR LIVES. But why? And is it only those sweet, refined white crystals that are causing us problems, or could there be more to the story? Let's be honest: The problem isn't just sugar itself. It's the refined, nutrient-poor carbohydrates that carry tons of calories, but no real nutrition. In our world, these are the easiest foods to grab on the go, but they leave us fat, sick, tired, and downright unhappy. The effect that sugar, hidden carbs, and refined, processed foods have on our bodies goes far beyond our waistlines. We can't focus, we can't sleep, we have irrational mid-afternoon cravings, and we can't even make it through the day without wanting—or needing—to prop up our energy levels with caffeine or even more sugar! What can we do to break free from this cycle? The 21-Day Sugar Detox is here to help. The 21-Day Sugar Detox is a clear-cut, effective, whole-foods-based nutrition action plan that will reset your body and your habits! Tens of thousands of people have already used this groundbreaking guide to shatter the vicious sugar stronghold. Now it's your turn! Use the easy-to-follow meal plans and more than 90 simple recipes in this book to bust a lifetime of sugar and carb cravings in just three weeks. Three levels of the program make it approachable for anyone, whether you're starting from scratch or from a gluten-free, grain-free, and/or Paleo/primal lifestyle. The 21-Day Sugar Detox even includes special modifications for athletes (endurance, CrossFit, HIIT-style, and beyond), pregnant/nursing moms, pescetarians, and people with autoimmune conditions. What you'll experience on this program will be different from a lot of other diet programs out there that promote extremely restricted eating; encourage you to consume only shakes, juices, or smoothies; or rely heavily on supplements and very-low-calorie or very-low-fat diets to ensure success. The goal of any detox program should be to support your body in naturally cleansing itself of substances that create negative health effects—and that's exactly what The 21-Day Sugar Detox does. By focusing on quality protein, healthy fats, and good carbs, this program will help you change not only the foods you eat, but also your habits around food, and even the way your palate reacts to sweet foods. You'll likely complete the program and continue eating this way much of the time thereafter because you'll feel so amazing. After changing your everyday eating habits, you will begin to gain a new understanding of how food works in your body—and just how much nutrition affects your entire life. There's no reason to wait!

Cookies are easy, enticing, and fun. Yet as the award-winning baker Alice Medrich notes, too often, home cooks cling to the recipe on the bag of chocolate chips, when so much more is possible. “What if cookies reflected our modern culinary sensibility—our spirit of adventure and passion for flavors and even our dietary concerns?” Medrich writes in her introduction to this landmark cookie cookbook, organized by texture, from crunchy to airy to chunky. An inveterate tester and master manipulator of ingredients, she draws on the world’s pantry of ingredients for such delicious riffs on the classics as airy meringues studded with cashews and chocolate chunks, palmiers (elephant’s ears) made with cardamom and caramel, and rugelach with halvah. Butter and sugar content is slashed and the flavor turned up on everything from ginger snaps to chocolate clouds. From new spins on classic recipes including chocolate-chip cookies and brownies, to delectable 2-point treats for Weight Watchers, to cookies to make with kids, this master conjurer of sweets will bring bliss to every dessert table.
