The Home Edit Clea Shearer, Joanna Teplin, 2019-03-19 NEW YORK TIMES BESTSELLER • From the stars of the Netflix series *Get Organized with The Home Edit* (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—*Glamour* (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it’s not hard to do—in fact, it’s a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea’s signature approach to decluttering. *The Home Edit* walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don’t need another do-over in six months. When you’re done, you’ll not only know exactly where to find things, but you’ll also love the way it looks. A masterclass and look book in one, *The Home Edit* is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there’s nothing like a little ROYGBIV to soothe the soul). Above all, it’s like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

Libby Langdon's Small Space Solutions Libby Langdon, 2009-02-14 When someone says they live in a small house or apartment, the image that comes to mind is all too often negative—cramped, cluttered, or confining. But America’s leading small space designer, Libby Langdon, knows just how to counter that stereotype. In *Libby Langdon’s Small Space Solutions*, she finally offers a practical, user-friendly guide to decorating small spaces so they look stylish, beautiful, and larger than their actual dimensions. Setting out from the premise that it doesn’t take lots of money to achieve a warm and inviting atmosphere, she delivers practicality and inspiration that’s affordable. Armed with a bit of basic design knowledge and a few

of Libby's tricks of the trade, any small-space dweller can learn how to create gracious, inviting small-space homes that are also functional to a tee. Each chapter addresses the most common problems encountered in a particular space—living room, dining room, kitchen, bathroom, bedroom, office, or hall—and presents solutions and sample layouts, as well as numerous color photos showing transformed spaces “before” and “after” that illustrate small-space design tips. Libby also spells out the top ten mistakes people make in small spaces, and provides step-by-step instructions for painting and hanging art. An invaluable resource for apartment dwellers, first-time homeowners, and anyone looking to downsize, Libby Langdon's Small Space Solutions proves that living with less doesn't mean living without luxury.
