Heads of the Colored People Nafissa Thompson-Spires, 2018-04-10 Winner of the PEN Open Book Award * Winner of the Whiting Award * Longlisted for the National Book Award and Aspen Words Literary Prize * Nominated for the PEN/Robert W. Bingham Prize * Finalist for the Kirkus Prize and Los Angeles Times Book Prize Named a Best Book of the Year by Refinery29, NPR, The Root, HuffPost, Vanity Fair, Bustle, Chicago Tribune, PopSugar, and The Undeclared In one of the season's most acclaimed works of fiction, Nafissa Thompson-Spires offers "a firecracker of a book...a triumph of storytelling: intelligent, acerbic, and ingenious" (Financial Times). Nafissa Thompson-Spires grapples with race, identity politics, and the contemporary middle class in this "vivid, fast, funny, way-smart, and verbally inventive" (George Saunders, author of *Lincoln in the Bardo*) collection. Each captivating story plunges headfirst into the lives of utterly original characters. Some are darkly humorous—two mothers exchanging snide remarks through notes in their kids' backpacks—while others are devastatingly poignant. In the title story, when a cosplayer, dressed as his favorite anime character, is mistaken for a violent threat the consequences are dire; in another story, a teen struggles between her upper middle class upbringing and her desire to fully connect with so-called black culture. Thompson-Spires fearlessly shines a light on the simmering tensions and precariousness of black citizenship. Boldly resisting categorization and easy answers, Nafissa Thompson-Spires "has taken the best of what Toni Cade Bambara, Morgan Parker, and Junot Díaz do plus a whole lot of something we've never seen in American literature, blended it all together...giving us one of the finest short-story collections" (Kiese Laymon, author of *Long Division*).

Action Park Andy Mulvihill, Jake Rossen, 2020-06-30 Citizen Kane does Adventureland. —The Washington Post The outlandish, hilarious, terrifying, and almost impossible-to-believe story of the legendary, dangerous amusement park where millions were entertained and almost as many bruises were sustained, told through the eyes of the founder's son. Often called Accident Park, Class Action Park, or Traction Park, Action Park was an American icon. Entertaining more than a million people a year in the 1980s, the New Jersey-based amusement playland placed no limits on danger or fun, a monument to the anything-goes spirit of the era that left guests in control of their own adventures--sometimes with tragic results. Though it closed its doors in 1996 after nearly twenty years, it has remained a subject of constant fascination ever since, an establishment completely anathema to our modern culture of rules and safety. Action Park is the first-ever unvarnished look at the history of this DIY Disneyland, as seen through the eyes of Andy Mulvihill, the son of the park's idiosyncratic founder, Gene Mulvihill. From his early days testing precarious rides to working his way up to chief lifeguard of the infamous Wave Pool to later helping run the whole park, Andy's story is equal parts hilarious and moving, chronicling the life and death of a uniquely American attraction, a wet and wild 1980s adolescence, and a son's struggle to understand his father's quixotic quest to become the Walt Disney of New Jersey. Packing in all of the excitement of a day at Action Park, this is destined to be one of the most unforgettable memoirs of the year.

Unashamed Leah Vernon, 2019-10-15 A Muslim woman's searingly honest memoir of her journey toward self-acceptance as she comes to see her body as a symbol of rebellion and hope—and chooses to live her life unapologetically Ever since she was little, Leah Vernon was told what to believe and how to act. There wasn't any room for imperfection. 'Good' Muslim girls listened more than they spoke. They didn't have a missing father or a mother with a mental disability. They didn't have fat bodies or grow up wishing they could be like the white characters they saw on TV. They didn't have husbands who abused and cheated on them. They certainly didn't have secret abortions. In Unashamed, Vernon takes to task the myth of the

perfect Muslim woman with frank dispatches on her love-hate relationship with her hijab and her faith, race, weight, mental health, domestic violence, sexuality, the millennial world of dating, and the process of finding her voice. She opens up about her tumultuous adolescence living at the poverty line with her fiercely loving but troubled mother, her absent dad, her siblings, and the violent dissolution of her 10-year marriage. Tired of the constant policing of her clothing in the name of Islam and Western beauty standards, Vernon reflects on her experiences with hustling paycheck to paycheck, body-shaming, and redefining what it means to be a “good” Muslim. Irreverent, youthful, and funny, *Unashamed* gives anyone who is marginalized permission to live unapologetic, confident lives. “Vernon’s determined advocacy for body positivity as a feminist and mental health issue, and her painful journey to self-acceptance, are moving and powerful, forcing readers to examine their own preconceptions about beauty standards and health.” —Booklist

Save It for Later Nate Powell, 2021-04-06 From Nate Powell, the National Book Award-winning artist of *March*, a collection of graphic nonfiction essays about living in a new era of necessary protest—now with sixteen pages of new material. In seven interwoven comics essays, author and illustrator Nate Powell addresses living in an era of what he calls “necessary protest.” *Save It for Later: Promises, Parenthood, and the Urgency of Protest* is Powell’s reflection on witnessing the collapse of discourse in real-time while illustrating the award-winning trilogy *March* by Congressman John Lewis and Andrew Aydin, this generation’s preeminent historical account of nonviolent revolution in the civil rights movement. Powell highlights both the danger of normalized paramilitary symbols in consumer pop culture and the roles we play individually as we interact with our communities, families, and society at large. Each essay tracks Powell’s journey from the night of the election—promising his four-year-old daughter that Trump will never win—to the reality of the authoritarian presidency, protesting the administration’s policies, and navigating the complications of teaching his children how to raise their own voices in a world that is becoming increasingly dangerous and more and more polarized. While six of the seven essays are new, unpublished work, Powell has also included “About Face,” a comics essay first published by Popula Online that swiftly went viral and inspired him to write *Save It for Later*. The seventh and final essay was written after the 2020 presidential election, and examines the outcome of that contest in relation to the events of the last four years, with a particular focus on the COVID-19 pandemic and global protests in the wake of the murder of George Floyd. The updated paperback comes out just in time for the 2022 midterm elections and includes bonus content featuring a conversation between Powell and Derf Backderf, the *New York Times*-bestselling author of *My Friend Dahmer* and *Kent State*, where they discuss the militarization of civilian spaces and the aftermath of the January 6th insurrection. As Powell moves between subjective and objective experiences raising his children—depicted in their childhood innocence as imaginary anthropomorphic animals—he reveals the electrifying sense of trust and connection with neighbors and strangers in protest. He also explores how to equip young people with tools to best make their own noise as they grow up and help shape the direction and future of this country.

The Ex Hex Erin Sterling, 2021-09-28 New York Times Bestseller Erin Sterling casts a delightful spell with a spine-tingling romance full of wishes, witches, and hexes gone wrong. “A delightful and witty take on witchy mayhem.” — Popsugar Nine years ago, Vivienne Jones nursed her broken heart like any young witch would: vodka, weepy music, bubble baths...and a curse on the horrible boyfriend. Sure, Vivi knows she shouldn’t use her magic this way, but with only an “orchard hayride” scented candle on hand, she isn’t worried it will cause him anything more than a bad hair day or two. That is until Rhys Penhallow, descendent of the town’s ancestors, breaker of hearts, and annoyingly just as gorgeous as he always was, returns to Graves Glen, Georgia. What should be a quick trip to recharge the town’s ley lines and make an appearance at the annual fall festival turns disastrously wrong. With one calamity after another striking Rhys, Vivi realizes her silly little Ex Hex may not have been so harmless after all. Suddenly, Graves Glen is under attack from murderous wind-up toys, a pissed off ghost, and a talking cat with some interesting things to say. Vivi and Rhys have to ignore their off the charts chemistry to work together to save the town and find a way to break the break-up curse before it’s too late.
