**The Distance Between Us** Reyna Grande,2012-08-28 In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this “compelling...unvarnished, resonant” (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to “El Otro Lado” (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to “El Otro Lado” to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La distancia entre nosotros*.

**A Father's Book of Wisdom** H. Brown,2000-10-06 A few weeks after Dad passed away, says H. Jackson Brown, Jr., the compiler of *A Father's Book of Wisdom*, we found eight shoeboxes in his closet filled with scraps of paper all covered with ideas Dad thought were profound, interesting, or merely amusing. The result is one father's view of life and what he thought about the importance of self-reliance, commitment, love, generosity, and success. It contains 159 quotes from Socrates, Eleanor Roosevelt, Andrew Jackson, Mother Teresa, and many others covering such topics as achievement,courage, happiness, parenting, success, and values. Quotations such as If you're looking for a big opportunity, seek out a big problem and Life doesn't come with an instruction book - that's why we have fathers communicate an upbeat, positive view of the world that will inspire and charm the reader. It is the perfect gift book for Father's Day, graduation, or any time of the year, and may even inspire you to jot down a few notes of your own.

*The Intentional Father* Jon Tyson,2021-08-17 Self-initiation is killing our young men. Without strong mentors, boys are walking alone into a wilderness of conflicting messages about who they should be as men. It's no wonder that our sons are confused about what the world expects from them and what they should expect of themselves. *The Intentional Father* is the antidote. This concise book is filled with practical steps to help men raise sons of consequence--young men who know what

they believe, know who they are, and will stand up against the negative cultural trends of our day. Jon Tyson lays out a clear path for fathers and sons that includes specific activities, rites of passage, and significant marking moments that can be customized to fit any family. It's not enough to hope our sons will become good men. We need them to be good at being men. This book shows how fathers, grandfathers, and other male mentors can lead the way.

**Father's Day Is Coming!** ,2007 Bobo makes a nice present to give to his father on Father's Day.

**Patches of Godlight** Jan Karon,2002-09-24 A beautiful collection of some of Father Tim's favorite quotes and a great companion to the Mitford series by #1 New York Times bestselling author Jan Karon. Written in Father Tim Kavanagh's own hand, this wonderful collection of quotes brings to life the personal reflections of Mitford's beloved Episcopal priest. Here Father Tim has carefully recorded his favorite quotes from a variety of thinkers, philosophers, and poets whom he has admired over the years. Next to the quotes are Father Tim's personal comments, scribbles, and doodles. From C. S. Lewis and Mark Twain to Aristophanes and St. Paul, these heartwarming words on love, life, and faith are a perfect addition to the Mitford series--and a must-have for Jan Karon's millions of readers. Further inspirational and uplifting quotes are collected in a second volume, A Continual Feast.

**Dad's Playbook** Tom Limbert,2012-04-06 A collection of inspirational quotes for dads, from some of the greatest coaches in sports history. Dads do what the best coaches do: They motivate, mentor, discipline, and love. This playbook collects more than one hundred moving quotes from the greatest coaches of all time. Author Tom Limbert then takes their wisdom and applies it to the game of fatherhood. With a foreword by Hall of Fame Quarterback Steve Young and quotes from John Madden, Vince Lombardi, Tommy Lasorda, Phil Jackson, and many more legends, dads will find a wealth of inspiration in these pages.

The Curious Incident of the Dog in the Night-Time Mark Haddon,2009-02-24 A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions. Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of

narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

**Letters to My Son** Kent Nerburn,1999 We all need advice growing up and facing the big stuff life gives us. We all need the voice of a parent or a good friend who has lived through joy and suffering and has thought deeply about it. Kent Nerburn is an extraordinary writer who can be that voice when we are lost and in need of guidance. Letters to My Son, written for his son, Nick, but true for all of us, shows us that life isn't always shared in all its richness with those we meet along the way. Kent shares with us what he believes, and makes us look at the hard questions, but never offers easy answers. Like a wise and gentle friend, he guides us to the truths that emerge when you approach life openly and honestly.

**Dreaming in Cuban** Cristina García,2011-06-08 “Impressive . . . [Cristina García’s] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as warm and gentle as the ‘sustaining aromas of vanilla and almond,’ as rhythmic as the music of Beny Moré.”—Time Cristina García’s acclaimed book is the haunting, bittersweet story of a family experiencing a country’s revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. Dreaming in Cuban is “a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez” (The New York Times). In celebration of the twenty-fifth anniversary of the novel’s original publication, this edition features a new introduction by the author. Praise for Dreaming in Cuban “Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush.”—San Francisco Chronicle “Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose.”—The Washington Post “Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind.”—The Denver Post

**Dad Time** Max Lucado,2014-05-13 Are you looking for a special gift to remind your dad how special he is? Inside this keepsake, you’ll find: short stories with a meaningful message that acknowledges God’s role in each event advice and reflection on how to raise loving and God-honoring children beautiful quote callouts that offer practical help and insight on fatherhood Dad Time is a perfect gift for first-time dads, Valentine’s Day, Father’s Day, and Christmas.

**To Kill a Mockingbird** Harper Lee,2014-07-08 Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the

face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

**Our Good Father** Pierre Eade,2017-09 Jesus said, No one knows the Son except the Father, and no one knows the Father except the Son. He went on to give one exception, and those to whom the Son chooses to reveal him. If you desire a revelation of God the Father, you only have one place you need to go, listen to his son Jesus. Our Good Father takes the words of Jesus to bring a fresh understanding to the person of God the Father. Through the use of personal stories, analogies and humor, Our Good Father uses the words of Jesus to paint a picture of the true nature of God. Insightful, illuminating and thoroughly thought-provoking, Our Good Father will grab your attention from the first page and won't let go. Be prepared to question your perceptions about God, as you get to know the true Father as seen through the eyes of Jesus. A delightful sense of humor and engaging style of writing make this book, not only thought provoking, but inspiring and entertaining as well. Congratulations You're a Dad Kate Freeman,2015-08-13 'Life doesn't come with an instruction book; that's why we have fathers.' H. Jackson Brown Jr You've said goodbye to weekends playing golf, having a day off and sleeping the night through - all in the name of being a father. This delightful little book is filled with witty and inspiring quotes to help you get through those early days of fatherhood with a smile on your face.

Grieving Dads Kelly Farley,2012 *Grieving Dads: To the Brink and Back* is a collection of candid stories from grieving dads that were interviewed over a two year period. The book offers insight from fellow members of, in the haunting words of one dad, this terrible, terrible club, which consists of men who have experienced the death of a child. This book is a collection of survival stories by men who have survived the worst possible loss and lived to tell the tale. They are real stories that pull no punches and are told with brutal honesty. Men that have shared their deepest and darkest moments. Moments that included thoughts of suicide, self-medication and homelessness. Some of these men have found their way back from the brink while others are still standing there, stuck in their pain. The core message of *Grieving Dads* is you're not alone. It is a message that desperately needs to be delivered to grieving dads who often grieve in silence due to society's expectations. *Grieving Dads: To the Brink and Back* is a book that no grieving dad or anyone who cares for him should be without. As any grieving parent will tell you, there are no words to describe the hell one experiences after the death of a child. Many men have no clue how to deal with or understand the myriad emotional, mental, and physical responses experienced after the death of a child.

Stories appearing in the book have been carefully selected to represent a cross-section of fathers, as well as a diverse portrayal of loss. This approach helps reflect the full spectrum of grief, from the early days of shock and trauma to the long view after living with loss for many years. Any bereaved father will find brotherhood in these pages, and will feel that someone understands them. While there is plenty of raw emotion in this book-the stories are not exercises in self-pity nor are they studies in grief. They are survival stories instead. Some are testimonies to hope. Some are gut-wrenching accounts of overwhelming despair. But all of them are real-life stories from real-life grieving dads, and they show that even if one reaches his physical and emotional bottom, it is possible (although not easy) to live through that pain and find one's way to the other side of grief. Most dads in this book found themselves in a state of physical, mental, and emotional collapse after the death of their child. As if the losses alone weren't enough to drive these men to the brink, most try to deal with their grief according to the conventional wisdom so many men are brought up with, which perversely, increases their suffering all the more. We all know the party line about how men are supposed to deal with loss or even disappointment: toughen up, get back to work, take it like a man, support your wife, don't talk about your emotions, don't lose control, and if you must cry-by all means do so in private.

*Believing Scientists Quotes* Fernando José Walsh,2021-02-13 The main exponents of science are or have been profound believers in God, the Creator of the universe. In this work the reader will find hundreds of phrases emitted by many of them that speak of their faith convictions; and of the relationship between faith and its science. They are mostly recognized scientists who believe not only in one God, but expressly in the God of the Bible. With this book the author continues with the task begun in *The Lord of the two books* to revive an old, but current idea, that the Creator communicates with human beings through two books of His authorship: Nature (general revelation ) and the Bible (special revelation). "The Creator has given two books to the mankind. In one has shown His majesty, in another - His will ... The two books together inform us not only about the existence of God, but also about His indescribable blessings for us. It is a sin to sow among them weeds and discontent". Mikhail Lomonosov (1711-1765), father of Russian science.

Get ready for the most awesome and incredible adventure that

will change your life and build a deeper relationship with God. Peggy Fink is involved in a Women's Book Club that encouraged her to share this book with other Christian women. She wants to encourage women to build a deeper relationship with the Lord so they know they are living in His bubble. She is an educator and trainer who is following the Lord's will to speak out to women. Look for her next book, *Unpacking Galatians*.

*Translation and Language Education* Sara Laviosa, 2014-08-01 The revival of translation as a means of learning and teaching a foreign language and as a skill in its own right is occurring at both undergraduate and postgraduate levels in universities. In this book, Sara Laviosa proposes a translation-based pedagogy that is grounded in theory and has been applied in real educational contexts. This volume draws on the convergence between the view of language and translation embraced by ecologically-oriented educationalists and the theoretical underpinnings of the holistic approach to translating culture. It puts forward a holistic pedagogy that harmonizes the teaching of language and translation in the same learning environment. The author examines the changing nature of the role of pedagogic translation starting with the Grammar Translation Method and concluding with the more recent ecological approaches to Foreign Language Education. *Translation and Language Education* analyses current research into the revival of translation in language teaching and is vital reading for translators, language teachers and postgraduate students working in the areas of Translation Studies and Applied Linguistics.

*Famous Atheists* Ray Comfort, 2014-12-03 What do atheist believe, if anything? What are some common lies they tell? What arguments do they make? It will fascinate the reader to learn some of the world's most famous atheists: Albert Einstein Mark Twain John Lennon Steve Jobs Brad Pitt Hugh Hefner Charles Darwin And many more. What do these people have in common? How do atheists view God, Jesus, the Bible, Heaven and hell, sin, and salvation? This book will give answers to these questions and provide the reader with greater understanding of this growing segment of our population.
