Brittany Earns Her Ears Brittany DiCologero, 2015-04-06 A DINO IN HER PIXIE DUST In this Disney College Program diary, New England girl Brittany DiCologero must make the best of a less-than-ideal role: running games and selling merchandise in Animal Kingdom's DinoLand. With screaming guests, a trainer from hell, and a shirtless, sweaty Pluto, this might be her extinction level event. The Earning Your Ears series chronicles the experiences of young people from around the country and around the world who leave home, often for the first time, to live and work in Walt Disney World or Disneyland for several months, or even longer. Each book in the EARS series makes you an honorary Cast Member as the author takes you behind Disney's pixie dust curtain to learn things the Mouse would prefer you didn't know, and what no guidebook will tell you, including how the theme parks operate from the inside out and what Disney employees do when they're not wishing you a magical day. Former Disney World Cast Member Brittany DiCologero shares: The ins and outs of Disney Merchandise, as taught by the world's most fanatical, ninja-like trainer, Bill The silly Disney rules for making sure no one is offended, including why there's no such thing as a ball at the DinoLand basketball game The ups and down of working in DinoLand, with appearances by screaming guests, clueless managers, and Make-A-Wish kids The most up-to-date advice for acing the Disney College Program application, selecting non-venomous roommates, and surviving Disney training If you've ever wondered what it would be like not just to visit a Disney theme park but to work in one, the Earning Your Ears series is your E-ticket!

Matthew Brannon: Concerning Vietnam Matthew Branon, 2019-07-23 Brannon offers us a different perspective and, just maybe, a higher level of understanding when it comes to this great American disaster story. -Clive Martin, CNN New York-based artist Matthew Brannon (born 1971) has spent the past five years exhaustively researching the Vietnam/American War, seeking his own understanding of one of the most pivotal confrontations of the 20th century and translating that research into intricate silkscreen works that collage military documents, maps, logos, memoranda and contemporaneous ephemera.

Concerning Vietnam distills a picture of the war and its ongoing effects in vivid, densely packed images that employ the bold graphic design for which the artist is known. Alongside these works are Brannon's notes on the objects and situations they depict, constructing a detailed chronology of the war and a complex overview of the consequences of US intervention in Southeast Asia. Designed by Studio LHOOQ in close collaboration with the artist, Concerning Vietnam collects the entire series of prints and texts, with a new essay on the work by curator Veronica Roberts and a conversation between the artist and Vietnam historian Mark Atwood Lawrence.
