French Country Cottage Courtney Allison, 2018-08-14 Discover design inspiration as a photographer and blogger details the story of her renovation of a 1940s cottage in the California countryside. A little, abandoned vacation house that could, set in the center of rolling fields and trees becomes the cottage home of her dreams. A French country-style cottage filled with original elements and an exquisite mix of rustic and refined. The years of renovation allowed Courtney to create a lifestyle that is fueled by inspiration and beauty, a touch of whimsy, and an abundance of everyday elegance. The journey has been shared on her popular blog French Country Cottage, and now, through the publication of her first book, her readers will experience a reveal of more of her home and property and the inspirations behind her beloved style. Courtney's inspiring photography reveals every nuance of her style and home including a muted color palette, old brassy door knobs, chippy paint, antiques, her greenhouse and garden, and an abundance of entertaining and holiday decorating style. In stories that span a variety of styles and genres, Boyle addresses the enduring concerns of the human mind and heart while taking on timely social concerns. *The Relive Box* is an exuberant, linguistically dazzling effort from a vibrant sensibility fully engaged with American society.
