Lucky Penny Catherine Anderson,2012-01-31 In this stirring novel of the Old West from New York Times bestselling author Catherine Anderson, a desperate woman's impulsive ruse brings a rough-looking stranger into her life... To support her orphaned niece, impoverished Brianna O'Keefe accepts work with a Colorado rancher. To guard herself from unwanted attention, she resorts to a harmless little lie: that she's married to a Denver gold miner named David Paxton. When her boss forces her to write her "husband," hoping he'll take Brianna off his hands, she can only pray that no real David Paxton exists who can expose her. When Colorado marshal David Paxton gets a letter from a stranger claiming to be his wife, and pleading with him to come for her and his "daughter," he dutifully sets out to find this woman and the child he may have sired. What stuns Brianna is that David is convinced the young girl could, in fact, be his. As David and Brianna's wary attraction blossoms into a deeper desire, David warms to the idea of a ready-made family. But can his dream survive Brianna's lingering distrust...and his own heart-held secrets?

The Lucky Few Heather Avis,2017-03-21 When life looks radically different than the plan we have for ourselves, it's the lucky few that recognize God's plan is best. That's what adoptive mom Heather Avis learned, and that's the invitation of this book. As the mother of three adopted children - two with Down syndrome - Heather Avis has learned that it's truly the lucky few who get to live a life like hers, who actually recognize that God's plans are best, even when they seem so radically different from the plans we have for ourselves. When Heather started her journey into parenthood she never thought it would look like this, never planned to have three adopted children, and certainly never imagined that two of them would have Down syndrome. But like most things God does, once she stepped into the craziness and confusion that comes with the unknown and the unplanned, she realized that they were indeed among the lucky few. Discover in this book what 70,000+ followers of

Heather's hit Instagram account @macymakesmyday already know: the power of faith and family can help us stay strong in the toughest times. This book will also be especially touching to those with adopted family members or children with Down syndrome in their lives.

Lucky Fish Aimee Nezhukumatathil, 2014-01-28 Lucky Fish travels along a lush current — a confluence of leaping vocabulary and startling formal variety, with upwelling gratitude at its source: for love, motherhood, “new hope,” and the fluid and rich possibilities of words themselves. With an exuberant appetite for “my morning song, my scurry-step, my dew,” anchored in complicated human situations, this astounding young poet’s third collection of poems is her strongest yet. Nezhukumatathil’s third book is fascinated with the small mechanisms of being, whether natural, personal, or imagined. Everything from eating eels in the Ozark mountains to the history of red dye finds a rich life in her poems. At times her lush settings and small stories are reminiscent of fairy tales, while at others Nezhukumatathil speaks with resonance and fierceness. Even as the poems jump from the Philippines to India to New York, they still take their time, stopping to notice that ‘there is no mystery on water/ greater than the absence of rust,’ and to draw small but wonderful parallels. —Publishers Weekly

The Cowkeeper's Wish Tracy Kasaboski, Kristen den Hartog, 2018-09-15 In the 1840s, a young cowkeeper and his wife arrive in London, England, having walked from coastal Wales with their cattle. They hope to escape poverty, but instead they plunge deeper into it, and the family, ensconced in one of London’s “black holes,” remains mired there for generations. The Cowkeeper’s Wish follows the couple’s descendants in and out of slum housing, bleak workhouses and insane asylums, through tragic deaths, marital strife and war. Nearly a hundred years later, their great-granddaughter finds herself in an altogether different London, in southern Ontario. In *The Cowkeeper’s Wish*, Kristen den Hartog and Tracy Kasaboski trace their ancestors’ path to Canada, using a single family’s saga to give meaningful context to a fascinating period in history—Victorian and then Edwardian England, the First World War and the Depression. Beginning with little more than enthusiasm, a collection of yellowed photographs and a family tree, the sisters scoured archives and old newspapers, tracked down streets, pubs and factories that no longer exist, and searched out secrets buried in crumbling ledgers, building on the fragments that remained of family tales. While this family story is distinct, it is also typical, and so all the more worth telling. As a working-class chronicle stitched into history, *The Cowkeeper’s Wish* offers a vibrant, absorbing look at the past that will captivate genealogy enthusiasts and readers of history alike.

I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and

suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

Love Letters to the Dead Ava Dellaira, 2014-04-01 “Dear Ava, I loved your book.” —Award-winning actress Emma Watson For fans of Kathleen Glasgow and Amber Smith, Ava Dellaira writes about grief, love, and family with a haunting and often heartbreaking beauty in this emotionally stirring, critically acclaimed debut novel, *Love Letters to the Dead*. It begins as an assignment for English class: Write a letter to a dead person. Laurel chooses Kurt Cobain because her sister, May, loved him. And he died young, just like May did. Soon, Laurel has a notebook full of letters to people like Janis Joplin, Amy Winehouse, Amelia Earhart, Heath Ledger, and more—though she never gives a single one of them to her teacher. She writes about starting high school, navigating new friendships, falling in love for the first time, learning to live with her splintering family. And, finally, about the abuse she suffered while May was supposed to be looking out for her. Only then, once Laurel has written down the truth about what happened to herself, can she truly begin to accept what happened to May. And only when Laurel has begun to see her sister as the person she was—lovely and amazing and deeply flawed—can she begin to discover her own path.

As Always, Julia Joan Reardon,2010-12-01 With her outsize personality, Julia Child is known around the world by her first name alone. But despite that familiarity, how much do we really know of the inner Julia? Now more than 200 letters exchanged between Julia and Avis DeVoto, her friend and unofficial literary agent memorably introduced in the hit movie *Julie & Julia*, open the window on Julia's deepest thoughts and feelings. This riveting correspondence, in print for the first time, chronicles the blossoming of a unique and lifelong friendship between the two women and the turbulent process of Julia's creation of *Mastering the Art of French Cooking*, one of the most influential cookbooks ever written. Frank, bawdy, funny, exuberant, and occasionally agonized, these letters show Julia, first as a new bride in Paris, then becoming increasingly worldly and adventuresome as she follows her diplomat husband in his postings to Nice, Germany, and Norway. With commentary by the noted food historian Joan Reardon, and covering topics as diverse as the lack of good wine in the United States, McCarthyism, and sexual mores, these astonishing letters show America on the verge of political, social, and gastronomic transformation.
