These Precious Days Ann Patchett, 2021-11-23 The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. The elegance of Patchett’s prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike. —Publisher’s Weekly “Any story that starts will also end.” As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores “what it means to be seen, to find someone with whom you can

be your best and most complete self.” When Patchett chose an early galley of actor and producer Tom Hanks’ short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom’s brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer’s eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo’s children’s books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz’s Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author’s grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

By using art to connect your left brain with your right brain, *Sketch by Sketch* will unlock your basic human need to create, express, and feel—regardless of whether or not you think of yourself as an artist. In *Sketch by Sketch*, you’ll find over 40 sketching prompts on a variety of topics from hope to stillness that will help you connect with your emotions, practice mindfulness, and negotiate change. With each drawing you'll find you are able to process your experiences in a powerful new way. Step by step, sketch by sketch, you'll find peace, creativity, and healing on the page.
