No Bake Cookies Recipes Ann Sullivan,2017-06-26 Almost everyone is familiar with no bake cookies, and if you're not, then you soon will be. No bake cookies are some of my favorite cookies to make. Aside from mixing a few ingredients, there's really nothing to making these tasty little treats. You can form them, place them on a sheet, set them on the counter, and wait for them to firm up...all without ever turning the oven on. The no bake cookie recipes in this book are so easy to assemble you can let your kids do it. They might not be able to mix the ingredients thoroughly enough by themselves, but once that task has been accomplished you can turn them loose. As a matter of fact, these recipes represent some of the best ways to get kids into the kitchen. This will help you prepare them for life after moving out on their own. Readers are sure to
