Every person's skin has a particular shade—or hue—that we can appreciate. Children naturally wonder: Why are there so many skin colors? Why do I look a lot like some people and different from others? Which words best describe my skin color? But sometimes we feel uncomfortable talking about skin tone, ethnicity, and race. That's about to change! Inside these pages, kids will get to explore the ways each of us is uniquely designed and discover positive, creative ways to think and talk about the wonderful diversity of hues found in humanity. Crafted by an experienced educator and advocate for antiracism, Hues of You is divided into four main sections: Hues of You, Hues of Your Family, Hues of Your Ancestors, and Hues of Your Friends. This activity book offers a smart and honest starting point to spark natural, effective, and meaningful conversations in our families, schools, and communities.
