The Most Wonderful Week of the Year Roy Berger, 2013-11-21 Roy Berger never lost his desire to be a professional baseball player. Sadly, his baseball dream was cut short by a lack of talent and a high school coach without the foresight to see the potential Berger had, relegating him to the bench. After years of playing catch with his sons or first base in the beer leagues, he thought his days of competing at a higher level were long gone. That is, until the ripe age of fifty-seven, when his dreams became a reality at fantasy baseball camp. For those with the energy and the resources, fantasy baseball camp affords players an incredible opportunity: the chance to play baseball just like a major leaguer. Through Roy's experience, we go inside some of baseball's most hallowed halls and sacred spaces as he suits up, trains, and plays in the same spots where greats like Roberto Clemente, Al Kaline, and Derek Jeter have, culminating with playing at the home of the Pittsburgh Pirates, beautiful PNC Park. So take a trip around the bases for four weeks over four years, as Berger becomes a Pittsburgh Pirate, Detroit Tiger, and a New York Yankee. He proves that anyone blessed with good health and the ability to write a check can do it, too.

The Scandinavian Home Niki Brantmark, 2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and

contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.
