**How to Help a Cupid** Sue Fliess,2022-01-04 Valentine's Day is all about showing kindness to the most important people in your life—and if you're caring and thoughtful, you can help Cupid spread love and happiness, too! Will you spot a Cupid this Valentine's day? If you do, will you be ready to help him spread love and kindness? By being observant, helpful, and friendly, you can lend Cupid a hand, and together you can make special cards and gifts to show all your favorite people how much they mean to you. So, grab some supplies—stickers, markers, crayons, colored paper, glue, and whatever else you like (it's the thought that counts on Valentine's Day!)—and think of heartfelt messages to share with your loved ones. Then be ready to meet Cupid and work together to spread cheer and happiness! Sue Fliess's poetic read-aloud text and Simona Sanfilippo's vibrant, whimsical illustrations will provide joy for young readers eager to help Cupid share the love! Also included are guides for teachers and parents about how to engage children in making Valentine's Day cards and how to interest them in the history of the holiday, the mythology behind the winged messenger Cupid, and the value of being thoughtful and kind to everyone.

Am I Enough? Grace Valentine, 2018-07-17 Have you had enough of not feeling enough? Grace Valentine identifies the lies that many young women believe about their identity and self-worth, sharing her own struggles with these lies and how she overcame them through her faith in Jesus. Young women today are constantly told they are not enough for this world—not pretty enough, not smart enough, not exciting enough, and just plain not good enough. Grace Valentine has felt the pressure of trying to survive in a toxic culture, let alone thrive. But she's had enough. Grace uses her story to confront the lies the world tells us every day—lies such as: You are beautiful—but only because a guy told you so Love must be earned and isn't freely given You should forget your past You will never be enough Am I Enough? is a line in the sand. It's a declaration that we will never be enough for this world, because we were created by Someone better for something better. Grace's fresh voice will help you leave your insecurities behind and realize your unique identity in Christ. Discover how to push past the lies and find confidence in who you were made to be!

**Dear Photograph** Taylor Jones, 2012-07-03 We all have moments we wish we could relive. We'd give anything to skid down the toboggan hills of our youth, to breathe in the smell of our children as babies, or to spend just one more minute with someone we've lost. Dear Photograph provides a way to link these memories from the past to the present, overlapping them to see how the daydreams of our memories collide with our current realities. The idea is simple: hold up a photograph from the past in front of the place where it was originally taken, take a second photograph, and add a sentence of dedication about what the photograph means to you. The results, however, are astounding, which is why millions have flocked to dearphotograph.com and thousands have submitted their own Dear Photographs. This stunning visual compilation includes more than 140 never-before-seen Dear Photographs, as well as a space for you to attach your own cherished photo. By turns nostalgic, charming, and poignant, Dear Photograph evokes childhood memories, laments difficult losses, and, above all, celebrates the universal nature of love.
