The Extraordinary Journey of the Fakir Who Got Trapped in an Ikea Wardrobe Romain Puértolas, 2015-01-27 The basis for the major motion picture *The Extraordinary Journey of the Fakir* A charmingly exuberant comic debut, *The Extraordinary Journey of the Fakir Who Got Trapped in an Ikea Wardrobe* is the globetrotting story of a trickster from rural India and his adventure of a lifetime. When the fakir—a professional con artist—arrives in Paris, he has just one goal: to get to Ikea. Armed with only a counterfeit hundred-euro note in the pocket of his silk trousers, he is confident that he has all he needs to thrive. But his plan goes horribly awry when he hides inside a wardrobe at the iconic Swedish retailer—the first in a series of accidents that will send him on a whirlwind tour across Europe. Pursued across the continent by a swindled taxi driver dead set on revenge, our fakir soon finds unlikely friends—from movie stars to illegal immigrants—in even unlikelier places. And, much to his own surprise, his heart begins to open to those around him as he comes to understand the universal desire to seek a better life in an often dangerous world. Channeling the manic energy of the Marx Brothers and the biting social commentary of *Candide*, Romain Puértolas has crafted an unforgettable comic romp around Europe that is propelled by laughter, love, and, ultimately, redemption. (Meatballs not included but highly recommended.)

Minimalista Shira Gill, 2021-11-02 Elevate your personal style, trim your belongings, and transform your life, one room at a time, with this visionary lifestyle and home organization book from professional organizing expert, Shira Gill. “Warm,

funny, and direct, Shira builds you up while helping you edit down to the best version of yourself.”—Stacy London, New York Times bestselling author of *The Truth About Style* As a professional home organizer with clients ranging from students to multi-millionaires, Shira Gill observed that clutter is a universal stress trigger. Over the years she created a signature decluttering and organization process that promotes sustainability, achieves lasting results, and can be applied to anyone, regardless of their space or lifestyle. Rather than imposing strict rules and limitations, Shira redefines minimalism as having the perfect amount of everything—for you—based on your personal values and the limitations of your space. Now, in *Minimalista*, Shira shares her complete toolkit for the first time, built around five key steps: Clarify, Edit, Organize, Elevate, and Maintain. Once you learn the methodology you'll dive into the hands-on work, choose-your-own-adventure style: knock out a room, or even a single drawer; style a bookshelf; donate a sweater. Shira teaches that the most important thing you can do is start, and that small victories, achieved one at a time, will snowball into massive transformation. Broken into small, bite-sized chunks, *Minimalista* makes it clear that if the process is fun and easy to follow, anyone can learn the principles of editing and organization.

The Scandinavian Home Niki Brantmark, 2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major

influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.
