**Young House Love** Sherry Petersik, John Petersik, 2015-07-14 This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, hack your Ikea table to create three distinct looks, and so much more.

The Extraordinary Journey of the Fakir Who Got Trapped in an Ikea Wardrobe Romain Puertolas, 2015-01-27 The basis for the major motion picture *The Extraordinary Journey of the Fakir* A charmingly exuberant comic debut, *The Extraordinary Journey of the Fakir Who Got Trapped in an Ikea Wardrobe* is the globetrotting story of a trickster from rural India and his adventure of a lifetime. When the fakir—a professional con artist—arrives in Paris, he has just one goal: to get to Ikea. Armed with only a counterfeit hundred-euro note in the pocket of his silk trousers, he is confident that he has all he needs to thrive. But his plan goes horribly awry when he hides inside a wardrobe at the iconic Swedish retailer—the first in a series of accidents that will send him on a whirlwind tour across Europe. Pursued across the continent by a swindled taxi driver dead set on revenge, our fakir soon finds unlikely friends—from movie stars to illegal immigrants—in even unlikelier places. And, much to his own surprise, his heart begins to open to those around him as he comes to understand the universal desire to seek a better life in an often dangerous world. Channeling the manic energy of the Marx Brothers and the biting social commentary of *Candide*, Romain Puertolas has crafted an unforgettable comic romp around Europe that is propelled by laughter, love, and, ultimately, redemption. (Meatballs not included but highly recommended.)

*Billions of Bricks* Kurt Cyrus, 2016-10-11 A counting book that leads readers through a day in the life of a construction worker building with bricks.

**The Scandinavian Home** Niki Brantmark, 2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and

contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.

**Being Visual** Bette Fetter, 2012-09-04 Is your creative, intelligent, vibrant child struggling in school? Did you have a similar experience when you were in school? You or your child may be visual learners. In a test heavy education system, more and more children are underachieving, feeling lost and misunderstood. Because, schools are focused on teaching left-brain auditory learners and our right-brain visual kids are not getting what they need to succeed. In *Being Visual*, Bette Fetter, the founder of Young Rembrandts, discusses strategies to increase your visual learner's success in school, identifying how... To use pictures to improve grades To use visual study techniques To use effective writing strategies To apply visual methods for students with ADD, dyslexia and autism Why drawing, doodling and imagery improves learning How art improves education outcomes Fetter also presents a fresh case for art class as a critical must-have for students dependent on their visual skills to learn. For over 20 Years, Young Rembrandts has helped tens of thousands of visual-spatial students reach their potential in the arts as well as the classroom. Training in the technical skills of art provides tools for creative endeavors, while developing essential visual skills and learning activities in all children.

*The Home Edit* Clea Shearer, Joanna Teplin, 2019-03-19 NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. "A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way."—Glamour (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do—in fact, it's a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea's signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

*Bookshelf Design* Sundae Li, 2015 It is true that book always enjoys more attention than its faithful supporter-bookshelf. This book, however, is a tribute to this essential piece of furniture in our life, presenting creative bookshelf designs from around the globe which would provide fresh ideas for readers. An illustrated foldout was carefully made to introduce a brief historical development of bookshelf

Maps of Hell Paul Johnston, 2012-11-15 I fell into the deepest of holes. I am no one. I awake in a windowless room--naked, filthy, bruised, robbed of my every memory. I feel inexplicably drowned in a sea of hatred and rage. I...don't know who I am.

But I know I must escape. This is Matt Wells, hero of *The Death List* and *The Soul Collector*, as you've never seen him. Crime writer Matt Wells could never have conjured a plot this twisted--a secretive militia running sick brainwashing experiments in the Maine wilderness, himself a subject. He knows they've been subconsciously feeding him instructions...but for what? Taunted by maddening snatches of a life he can't trust as his own, Matt's piecing it together: three gruesome killings he's blamed for...and a woman...someone from his past he should remember.

*Life in Jeneral* Jen Robin, 2021-12-07 "Jen Robin is not just an organizer—she is a teacher and a healer. As she helps sort our 'stuff' she is also sorting our values, emotions, relationships, and dreams. She is a magician and this book will work magic on your home and life." - Glennon Doyle, #1 New York Times bestselling author of *Untamed* In this essential guide, the creative force behind the popular organization company *Life in Jeneral* reveals her emotionally engaged approach to decluttering—a unique process that empowers people to re-envision their spaces to suit their evolving needs. *Life* is about connection, not collection. Jen Robin's company, *Life in Jeneral*, focuses on the "soul work" of home organization—the psychological and emotional foundation necessary for creating a streamlined and sustainable lifestyle. For Jen, change comes from within—a process that to succeed, must begin with the heart. Americans are spending more time at home than ever before, and many have come to realize that their living spaces aren't serving them. We have too many things, resulting in physical and mental clutter. And the organizational strategies we try only go so far, leaving us feeling disconnected and disheartened. *Life in Jeneral* helps you build healthier mental habits that allow us to break free from the clutter, while providing traditional strategies to get—and stay—organized. Beautifully designed and featuring examples from Jen's personal experiences and those of her clients, *Life in Jeneral* teaches us how to: Flip common mental blocks that prevent us from organizational success Identify and tackle "clutter magnets"—the spaces where things seem to gather Discover common emotional baggage keyed to specific types of clutter Organize and evolve specific spaces in the home, room by room *Life in Jeneral* offers a holistic approach to organization; once we understand what we want from our spaces—how they can nurture and support our emotional well-being—we can create a home that feels both practical and joyful.
