A Grateful Heart Mary Jane Ryan,2024-12-17 Celebrate the Human Experience by Giving Thanks at Mealttime. Try It! Count your blessings. Today there is a deep hunger for connection with ourselves, with nature, and with the process of birth and death itself says life coach and author M. J. Ryan, creator of the New York Times best-selling Random Acts of Kindness series. What her book, A Grateful Heart, is offering from a wide variety of spiritual disciplines and secular perspectives, is a way of satisfying that hunger by setting aside time before we eat to acknowledge the blessings in our lives. When we give thanks, we take our place in the great wheel of life, recognizing our connection to one another and to all of creation. Choose from 365 blessings and give thanks. A Grateful Heart is a tool to help readers reclaim and enrich the tradition of pausing before the evening meal to give thanks. Drawing from a range of religious and cultural practices, the 365 blessings in this book celebrate friendship, love, peace, reconciliation, the body, nature, joy, and appreciation of the moment. This illustrated feast for the mind includes quotations from Martin Luther King Jr., Thich Nhat Hanh, Gandhi, Rumi, Mother Teresa, Helen Keller, Denise Levertov, the Bible, and the Tao Te Ching. M. J. Ryan wrote A Grateful Heart to encourage families to share the experience of being part of something greater than themselves. With that in mind, the book includes 365 traditional and nontraditional blessings organized into four sections corresponding to the seasons. Experience the blessings in A Grateful Heart in a variety of ways: Just open it and begin reading one-a-day in the order given Use the index to pick and choose topics of interest that day Open at random and read what is offered If you have benefited from books such as Earth Prayers, M. J. Ryan's Attitudes of Gratitude, Don Miguel Ruiz's Prayers, June Cotner's Graces, or Marcia M. Kelly's 100 Graces; you and your family will love M. J. Ryan's A Grateful Heart.

Happily Ever After Trista Sutter, 2013-11-26 Trista Rehn was a pediatric physical therapist moonlighting as a Miami Heat dancer when she heard about casting for a new reality show—one guy getting to know twenty-five girls in the hope of finding a fiancée. As improbable and crazy as it sounded, Trista took the chance—and had her heart broken on the very first season of *The Bachelor*. But the next season, as the first Bachelorette, her fairy tale fell into place during a whirlwind courtship with poetry-writing firefighter Ryan Sutter and, eventually, a dream-come-true wedding on national TV. In the midst of building a life with Ryan and raising two kids, Trista started to make a conscious effort to remember her favorite part of each day. And she's made sure to post these thoughts, her own personal expressions of gratitude, almost every night on Twitter and Facebook—even on days she was dealing with fertility issues, a difficult pregnancy, family deaths, and other challenges that many of us face. Sometimes it's the smallest gestures and the most unassuming things that can have the greatest effects. Trista is often asked her secret to being one of the rare reality-TV relationships to make it to the altar and beyond. In this heartfelt book, she shares the simple yet profound keys to finding everyday happiness: gratitude and grace. From the blink-and-you'll-miss-them moments we have with our kids, our spouses, our pets, or even strangers, to the more obvious lessons we pick up from reading the news or hearing an inspirational story, knowing how to recognize, accept, and be grateful for all of our daily blessings is truly what “happily ever after” means.

The Thankful Heart Richard Eyre,Linda Eyre,2014-10-16 We all know that an attitude of gratitude helps each day be a little better. When times are difficult and challenges abound, having a thankful heart is the catalyst for the abundant life. The Thankful Heart, by well known family authors Richard and Linda Eyre, is a book to keep or a book to give, filled with messages of gratitude and inspiring images for even the most difficult day. In this beautifully illustrated book, we find the opportunity to consciously and deliberately develop our own skill to feel gratitude more deeply, and give it more freely. And we are challenged to turn the passive holiday noun "Thanksgiving" into the active, year-long verb "Thanks-Giving." New York Times #1 bestselling authors Richard and Linda Eyre like to think of each November-December Holiday Season as another chapter in their exploration of Thanks-Giving. Early in their marriage, tired of the commercialism and conformity of Christmas cards, they began sending out a Thanksgiving Poem each year to friends and family. As the years rolled by, their life was increasingly defined by those three words—Family, Friends, and Thanks-giving. Through their poetry and the photos

taken by family members, we go with the Eyres on their journey through various phases and perspectives of the transforming emotion of gratitude, and in the book's final section, they share each of their Thanksgiving cards from the last forty-three years.

Diary of a Grateful Heart Carole Schmitt Schlenke,2006-08 The words for this book have been whirling in my head for some time and are a compilation of notes and journaling throughout the years. I have prayed for God's inspiration, that I may be able to convey to my family and friends, some of my deepest feelings. Not that they are that different, but in fact, that, my life experience has given me an exceptional perception of life and death. As a former OB nurse and mother of seven children, I have witnessed the miracle of birth many times over. Then being involved with a Hospice organization it has taught me to appreciate life you really accomplish that by being available empathetically with someone who has a terminal illness. The religion I grew up with as a child and am still comfortable with provides great spiritual grounding. My husband of forty- seven years has been my soul-mate and provided a life for us beyond all expectations. We have had the opportunity to live in several places in the US and Canada and with his business involvement to travel globally. This is not a totally religious book but with the circumstances of my life I have always walked closely with my Creator. It has been a priority in my life since my first age of awareness. The following pages are my personal beliefs and reason for The Diary of a Grateful Heart.

The Call to Service - Large Print Rev. Professor Clinton L. Ryan,2013-03 These sermons are to remind the readers of Abraham's confidence in the faithfulness of God. It was also to remind them that Abraham was not ashamed to build an altar to God and to worship Him in the presence of the heathen. By doing so he declared his expectation of the fulfillment of the Divine promise. Properly understood his actions serve as antecedents for Christians today. We can venture forth in faith and confidence in the promises of God. To respond positively to the command of God is the greatest service that any man or woman can do.
