A Letter to My Teacher Deborah Hopkinson,2017-04-04 This funny, touching picture book celebrates the difference a good teacher can make. Written as a thank-you note to a special teacher from the student who never forgot her, this moving story makes a great classroom read-aloud, and a perfect back-to-school gift for students and teachers! Dear Teacher, Whenever I had something to tell you, I tugged on your shirt and whispered in your ear. This time I'm writing a letter. So begins this heartfelt picture book about a girl who prefers running and jumping to listening and learning—and the teacher who gently inspires her. From stomping through creeks on a field trip to pretending to choke when called upon to read aloud, this book's young heroine would be a challenge to any teacher. But this teacher isn't just any teacher. By listening carefully and knowing just the right thing to say, she quickly learns that the girl's unruly behavior is due to her struggles with reading. And at the very end, we learn what this former student is now: a teacher herself. From award winning author Deborah Hopkinson and acclaimed illustrator Nancy Carpenter, this picture book is made to be treasured by both those who teach and those who learn.

From Tea Cakes to Tamales Nola McKey, 2016-05-20 Join journalist-turned-culinary historian Nola McKey on a Texas journey as she explores the state's foodways through heirloom recipes. In this collection of more than one hundred third-generation (and older) recipes, Texans share not only the delicious dishes they inherited from their ancestors but the stories and traditions that accompany them. With a strong focus on Texas' cultural diversity—recipes include Norwegian rosettes, Italian pizzelle, Czech sauerkraut, Chinese fried rice, Mexican caldo, Wendish noodles, and African American purple hull peas—McKey documents the culinary impact of ethnic groups from around the globe. But this book is not for foodies alone; history enthusiasts will appreciate the snapshots of daily Texas life captured in the narratives accompanying recipes that span more than a century. Told primarily in the words of today's cooks, these multigenerational family recollections can take anyone on a trip down memory lane, back to a beloved grandmother's kitchen or a great-aunt's holiday table. Additionally, McKey provides tips for preserving your own family recipes and for recording the heritage surrounding a special dish. She also includes recommendations for festivals and museums where readers can learn more about Texas foods and cultures. Illustrated with family photos and original watercolors by Cora McKown, *From Tea Cakes to Tamales: Third-Generation Texas Recipes* will, itself, quickly become a Texas family heirloom.

Equity-Centered Trauma-Informed Education Alex Shevrin Venet, 2023-09-01 Educators must both respond to the impact of trauma, and prevent trauma at school. Trauma-informed initiatives tend to focus on the challenging behaviors of students and ascribe them to circumstances that students are facing outside of school. This approach ignores the reality that inequity itself causes trauma, and that schools often heighten inequities when implementing trauma-informed practices that are not based in educational equity. In this fresh look at trauma-informed practice, Alex Shevrin Venet urges educators to shift equity to the center as they consider policies and professional development. Using a framework of six principles for equity-centered trauma-informed education, Venet offers practical action steps that teachers and school leaders can take from any starting

point, using the resources and influence at their disposal to make shifts in practice, pedagogy, and policy. Overthrowing inequitable systems is a process, not an overnight change. But transformation is possible when educators work together, and teachers can do more than they realize from within their own classrooms.
