A Book about Mom with Words and Pictures by Me Workman Publishing, 2021-03-30 Dear Mom, Keep this book forever to remember all the reasons why I love you. Every page has a heartwarming, imaginative (and sometimes cheeky!) prompt—a sentence to finish or an illustration to complete—to help kids capture everything they know and love about their parent, from their favorite things to do together to what kind of pizza topping they would be. A sheet of illustrated stickers gives kids even more ways to customize the work! Each book starts with a letter to parent from child, and then the fun begins, from: Your favorite animal is _____. You are terrified of _____! To: I wrote a story about you. Want to read it together? To: Look! I drew a picture of us on an intergalactic space adventure! And finally: This is us, having the greatest adventure ever. I love you, Mom!

Fair Play Eve Rodsky, 2019-10-01 A REESE'S BOOK CLUB PICK A hands-on, real talk guide for navigating the hot-button issues that so many families struggle with.--Reese Witherspoon Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the shefault parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family -- and then sent that list to her husband, asking for things to change. His response was... underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up chores and responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With four easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore from laundry to homework to dinner. Winning this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space -- as in, the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try *Fair Play*? Let's deal you in.

Eastman's *Are You My Mother?* a treasured classic. Beginner Books are fun, funny, and easy to read! Women are Scary Melanie Dale, 2015-03-24 Let's see . . . this is the part where I convince you that you need this book.

This book will massage your feet. This book will bring you a fuzzy blanket at the end of a long day of parenting your tiny little insanazoids. I promise to make you snort laugh at least once. After reading this book, you'll rock jazz hands, be able to sing on-key, and never, ever have to fold laundry again. Okay, they told me I'm actually supposed to tell you a little about the book. Um, right. Look. Here's the thing. Too many of us women are frazzled and lonely, isolated in our minivans while schlepping bags, strollers, and munchkins to and fro across town. It doesn't have to be this way. In this guide to momlationships, I use a dating analogy to take us around the bases to our home-run friendships, the ones that last a lifetime, not just a soccer season. This is our journey to each other, to finding our people and being other people's people, learning how to bless each other and not destroy each other. It's sometimes scary. And always awkward. Let's have some fun.

I Don't Care What Mom Says, "Life Sucks" Craig A. Brand, 2013-07-30 If you bought this book thinking you would read a series of humorous vignettes, guess again. This book is about Life, real life, not those fairy tales our mothers share with us as

we grow up. Mommy wants her children happy and visited by Mickey Mouse, not those caped in evil. However, boys and girls, Mickey Mouse only lives in Disney, and we must be prepared for the Big Bad Wolf, who lives in the real world, and all of his huffing and puffing. Hopefully after reading this you will fortify your house with Craig Brands advice and hard learned experiences. This book is about survival in todays world. A rule book, so to speak, about living, and a must read. Craig Brand provides his audience with not only a strong dose of reality, but offers positive solutions to surviving the reality we must all endure; called Life. You will read this book from cover to cover and then do it again; hopefully re-purchasing the book as you re-read it. Yeah, Yeah, but thats Life! Craig Brand doesnt hold back his thoughts, comments and concerns regarding our survival while living, existing and just trying to get by in this world we were all born into. He doesnt discriminate as he drags the good, the bad and the ugly through the mud. Have you wondered why bad things are happening to you; well, read this book and not only will you understand why, but know what to do about it and be assured that survival is not just limited to you. Staying thoroughly entertained, the reader shall gain a new perspective on Life, and our reason to keep on living or not! This book captures what everyone thinks, truly knows, but doesnt want to say. It is brilliantly put together in a way that lifes realities make you want to cry or laugh or both. M. Norman Pardo, Managing Member of TCI Films, LLC
