The Great Indoors Eric Broder,1999 Ever had someone tell you just a little too much about himself? Meet Eric Broder, who made a habit of doing this--in public! This book collects the best of Broder's oddly pensive, occasionally bizarre, and frankly often embarrassing musings on daily life, written for Cleveland alternative papers between 1987 and 1996.

Marjorie's New Friend Carolyn Wells,2024-03-15 Reproduction of the original. The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision.

Crocodiles Need Kisses Too Rebecca Colby,2020-04-07 Everyone needs hugs and love in this offbeat, upbeat ode to the not-so-cuddly--and yet still sweet and beloved! Despite their lumpy, bumpy hide, toothy mouths stretched open wide, just like me and just like you, crocodiles need kisses too. Fun-to-read-aloud, rhyming text describes prickly porcupines, roaring tigers, and slithery snakes--not the most cuddly creatures, but still worthy of hugs and snuggles from their mamas! With a luscious and colorful palette, Crocodiles Need Kisses Too shows that animals (and children) don't have to be warm and fuzzy to be totally lovable.

The 50 Greatest Love Letters of All Time David H. Lowenherz,2005 If a picture speaks a thousand words, a love letter speaks a thousand more . . . Even in this age of e-mail, faxes, and instant messaging, nothing has ever replaced the power of

a love letter. Much the way light displays every color when passed through a prism, love letters express the spectrum of our emotions, offering a colorful glimpse into the soul of the writer, and of the writer's beloved. For passionate readers and lovers of words, a letter is irresistible. Internationally renowned collector David Lowenherz sifted through hundreds and hundreds of historical and contemporary epistles and selected the most ardent, witty, whimsical, sexy, clever, and touching letters for this inspiring collection. Unlike interviews or biographies, these letters give us marvelous insight into the lives of some of history's most famous lovers and provide intimate glimpses into the hearts of some whose fervent or amusing expressions of devotion will come as a great surprise.
