*Great Ideas For Special Occasions January - December* Lori Plegge,

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

*Smarty No Pants* Joy Cowley, 2009 Smarty Pants finds out that washing his pants on a windy day is not a good idea. Suggested level: junior.

**Personal Finance Strategies** Robert Anderson, 2020-02-05 Do you owe too much money? Are your debts crushing your spirit, embarrassing you, and stressing you out? You're not alone. The good news is that you can fix that. And this book will show you how. The debt trap is a serious problem. Who is in her, has a real problem. But most people react like rabbits to

snakes: they just stand there paralyzed and do nothing until they are eaten. Keep a clear head and always tell yourself: There is nothing that can not be solved. You have to get out of your own rigidity and tackle the problem before it eats you. As usual in life, every problem also offers a chance to do better. You just have to analyze it clearly. When I have a mountain of debt, I have to part with things and habits that have become dear. Of course, it is difficult for those who have always sat only at the fleshpots, now only to be allowed to spoon the soup. But this is the way out of the debt trap, and you want to get out of it. You're about to learn time-tested strategies for winning your battles with debt. And I'm also going to share with you some strategies for increasing your income, as well as some important precautions you can take to minimize the risk of unforeseen events ruining your plans.

*Pants On Fire* Lacey Black, 2020-03-26 CricketSuccess is what you make of it. That's my motto and the premise of my speech; the one I'm heading back to Southern Illinois University to give at my college alumni reunion. As the morning co-host of Good Morning, San Francisco, I was asked to be one of the keynote speakers, and while I'm honored to do so, there's only one problem. The other speaker is Danny Ohara, my former boyfriend. Throw in an issue with my credit card that leaves me stuck at the airport, no rental car in sight, until a familiar face appears like a guardian angel in sexy black glasses. Here's my dilemma with my attraction to Rueben Rigsby, my airport savior and old friend from college: I'm not supposed to be attracted to him. At all. He's my ex's former roommate. Yet that doesn't stop my big mouth from lying about the status of our relationship when we come face-to-face with said former roommate. As in, we have one. Together. Rueben I don't know why I agreed to come back to SIU for the alumni reunion, but I'm damn sure glad I did. When I found the familiar face stranded at the airport, I readily agreed to give her a ride. It's great to catch up with Cricket Hill, as we make our way back to the place we ultimately met. What I'm not prepared for is this overwhelming attraction I feel for her. I'm not supposed to notice how amazing her butt looks in a pair of black yoga pants. She's a friend. Period. But Cricket has other plans. When she lies about our budding relationship to my former roommate and her ex, I have no choice but to go along with it to save face. I have to pretend to be her boyfriend. I mean, it's one little white lie, right? Wrong.

I Love Jesus, But I Want to Die Sarah J. Robinson, 2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson

offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

No one knows how the high-powered ad exec, the girl who couldn't leave town fast enough after high school, lost her glamorous life in California. Everyone's curious—except John Sawyer. He's done enough wondering about his childhood best friend over the years. Why she never called...or wrote...or visited. **Running with My Pants Down** JIM CUBA,2011-08-12 Running with my pants down is a perfect metaphor for the life of one Logan Hunter. Emotionally scarred by the faith forced on him by the traditions of his wildly dysfunctional Catholic-centric family, Logan sets out to blaze his own trail. After a young marriage that everyone knew was doomed to failure, he moves on at a breakneck pace to drink in all that life has to offer, literally and figuratively. His life becomes ruled by the three Bs: business, bed-hopping, and booze. Somewhere along the way, he meets Misty, the sex kitten; Kat, the young, unpredictable one; Liz, the cougar with a voracious appetite for younger men; Champagne Washington, the sultry nightclub singer; Connie and Amanda, the gorgeous, sophisticated, and carnally experimental women who give him a night hell never forget; The Wild Things Delta Sue, Kitten, and Lola; and the always-intoxicating Spanish beauty, Carmen. Could there be more? In an ironic twist of fate, Logan's best friend, Eddie, starts down an unexpected, life-altering path that begins to mirror

Logans. Neither could predict just how a couple of chance meetings would change the game for each of them.

Finding His Love Brynn Paulin, 2022-02-27 I fell in love. She ghosted me. I'm not going away, though. When I got sent to New York for spring break, I wasn't thrilled. I know. Oh poor me. Thing is, I had other plans. Then I met Willa and everything I thought I knew about my life changed. My entire purpose for living became her. But she disappeared—though not before telling me she had someone back home and this was a fling. I saw red. She's mine and that's that! Only... My parents have debutantes waiting in the wings for me. A family like mine? You marry for power, not for love. I have until graduation to come to terms with "the plan." Then I find Willa and everything changes again. I won't be falling in line. I've already fallen for Willa. And that guy she had back home? He doesn't exist. She just doesn't believe long-distance relationships can ever work. How can I convince her we will survive, and we won't ever be apart for long? Any way I can. CHALLENGE ACCEPTED.

Although I have been teaching for almost thirty years, as I read this book I found myself resonating with many of its ideas, and I discovered new ways of thinking about teaching. —Eugenia T. Paulus, professor of chemistry, North Hennepin Community College, and 2008 U.S. Community Colleges Professor of the Year from The Carnegie Foundation for the Advancement of Teaching and the Council for Advancement and Support of Education Thank you Carnegie Mellon for making accessible what has previously been inaccessible to those of us who are not learning scientists. Your focus on the essence of learning combined with concrete examples of the daily challenges of teaching and clear tactical strategies for faculty to consider is a welcome work. I will recommend this book to all my colleagues. —Catherine M. Casserly, senior partner, The Carnegie Foundation for the Advancement of Teaching As you read about each of the seven basic learning principles in this book, you will find advice that is grounded in learning theory, based on research evidence, relevant to college teaching, and easy to understand. **Green Magazine** Ken Kurson, 1998-03-16 Straight-up, jargon-free advice on personal finance for those made nauseous by the phrase personal finance. What the hell's a stock? A bond? A mutual fund? And why do I need to know? Is it better to start investing, or pay off that lingering credit card balance? Should I borrow money to buy a bungalow? A Jaguar? A jalopy? How? What's so great about compound interest anyway? Is the price of this book tax-deductible? The *Green Magazine Guide to Personal Finance* answers these questions and provides savvy, sensible money advice for anyone who doesn't want to wade through lots of b.s. Ken Kurson, editor of the critically acclaimed *Green* magazine, demystifies all types of personal financial matters—investing, retirement planning, credit card debt, student loans, first-time home buying, insurance, taxes—as well as providing valuable information on learning to live within your means, dealing with deadbeat roommates or spendthrift boyfriends, and putting on a cheap wedding. Ken Kurson's engaging yet always pragmatic money-speak is enlivened with real-life examples, pie charts, comics, and dead-on humor. His advice doesn't always sound like Dad's, but it's every bit as solid. The *Green Magazine Guide* is the only book that speaks to all those who are cynical, intimidated, or simply flummoxed about money matters.

Corporate Characters Wulf Rehder, 2017-11-28 A corporation is a world all its own. Its inhabitants include the full deck of 52 Corporate Characters described in this book. You will learn about the deeper meaning of the Water Cooler and of life in a Cubicle. Read about Rightsizing and Self-Evaluation.
