The truth is, any family can take a long road trip. All it takes is preparation, time behind the wheel, and determination to keep your family's spirits up, no matter the situation. In *Road Tripping: A Parent's Guide to Planning and Surviving the Annual Car Trip*, authors Loralee Leavitt and Rick Walton take you step-by-step through what you need to know to survive any situation as a family on the road. Not only do they help you decide what to pack, but they also provide resources on where to go, what to do, and how to get the best discounts. They even give tips for single parents who want to spend some quality time with their children, but aren't sure if they could do it alone. So don't let that open road scare you. **52 Activities for Family Fun** Laura Torres,2012-10-20 If your family is like mine, time with everyone together is becoming more and more difficult. We all have crazy schedules, and it's easy to put family time aside for soccer games, school assignments, meetings, chores, and other obligations. Now that some of my children have gone away to college, I realize how fleeting that family time can be, and that there is no substitute for time having fun together, laughing and learning. If you can set aside just one evening a week, with no other purpose than being together, your family will be greatly enriched. You don't need to plan anything fancy. An easy game, or even just some conversation starters over dinner, is enough to build happy memories. However, sometimes it's hard to think of something to do that works for all age groups and engages everyone. That is the purpose of this book. Included here are some of my family's favorite activities, from silly road trip word games to service projects to cooking contests. Organized by season, these ideas have been tested many times over and continue to bring my family many hours of fun. We play the If/Then game on birthdays, and Thanksgiving wouldn't be the same if we weren't drawing on paper plates on our heads. I hope these ideas help you plan your own family time and bring you many happy memories as well. --from the Introduction

*How to Raise an American* Myrna Blyth, Chriss Winston, 2007-03-20 Do you love America? Are you proud to call this country your home? Now, what about your kids? You want them to love America as much as you do, but when popular culture tells them it's cooler to bash this country than to love it, how can you teach them to be proud and loyal citizens? As mothers themselves, bestselling author Myrna Blyth and former presidential speechwriter Chriss Winston have struggled with the same dilemma. Shocked by the growing patriotism gap, they set out to create a real-world resource all parents can use to teach their kids about the greatness of America's past, the promise of its future, and the important role each of us plays in this democracy. *How to Raise an American* shows you how to make patriotism a priority without it becoming a chore for you or your kids. This practical guide offers tips, games, activities, quizzes, and information you can use to make patriotism part of your family's daily life, including: - 60-Minute Solutions that easily and seamlessly instill a love of this country - Dinner Table Debate topics that will have the whole family talking - Road trip ideas that bring America's history to life - Books and movies that exemplify our shared ideals - Inspiring stories of American courage, honor, and ingenuity - Fun and educational ways to celebrate American holidays like the Fourth of July and Veterans Day Blyth and Winston consulted prominent historians, academics, military leaders, politicians, authors, scholars, film critics, and parents around the country to bring you a truly useful guide.
