**Clutter Free** Kathi Lipp,2015-01-01 If you've ever wished you could clear out your clutter, simplify your space, and take back your life, Kathi Lipp's new book has just the solutions you need. Building off the success of her *The Get Yourself Organized Project*, this book will provide even more ideas for getting your life and your stuff under control. Do any of these descriptions apply to you? You bought a box of cereal at the store, and then discovered you have several boxes at home that are already past the best by date. You bought a book and put it on your nightstand (right on top of ten others you've bought recently), but you have yet to open it. You keep hundreds of DVDs around even though you watch everything online now and aren't really sure where the remote for the DVD player is. You spend valuable time moving your piles around the house, but you can never find that piece of paper when you need it. Your house doesn't make you happy when you step into it. As you try out the many easy, doable solutions that helped Kathi win her battle with clutter, you'll begin to understand why you hold on to the things you do, eliminate what's crowding out real life, and make room for the life of true abundance God wants for you.

*The Paper Solution* Lisa Woodruff,2022-01-25 From the Marie Kondo of paper comes a simple and accessible guide to paper management. Americans are drowning in paper. We keep stacks of it on the kitchen counter, stash it in drawers, and store file cabinets full of documents that we never even look at. Studies show that fully 85 percent of the paper in our lives can be tossed--but which 85 percent? And how do we organize and manage the 15 percent that remains? With *The Paper Solution*, founder of Organize365 Lisa Woodruff delivers a proven, step-by-step guide for what to shred, what to save, and how to sort what's left behind. With her method, you'll learn: • What documents you must absolutely hold on to • Which papers you can dispose of today • How to ditch your bulky filing cabinets and make your vital documents accessible and portable And at the heart of it all is the Sunday Basket: a box that sits on your counter and corrals those stray bills, forms, coupons, and scraps into an easy-to-use paper-management system. The Sunday Basket will become your new weekly habit--one that leads to less paper, less stress, and more time to spend on the things (and people) that matter most.
