Eat Pete Michael Rex,2024-09-10 From the creator of Goodnight Goon, a laugh-out-loud friendship story that perfectly captures the high and low moments of a typical playdate! Pete couldn't be more thrilled when a monster shows up in his bedroom. Now Pete has someone to play with! And the hungry monster couldn't be more thrilled to be there, either. Now he can . . . EAT PETE! But Pete has other ideas. And they are all good fun and quite distracting—things like playing cars and pirates. But we all know the course of playing together nicely never did run smoothly. So how much longer will the monster have to wait before he can . . . EAT PETE?

I Love Jesus, But I Want to Die Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

The Best Christmas Pageant Ever Barbara Robinson,1983 The six mean Herdman kids lie, steal, smoke cigars (even the girls) and then become involved in the community Christmas pageant.

Nobody in the world actually enjoys reading aloud, do they? Impossible! After all, any number of terrible things could happen: you might come across a word you don't know how to pronounce. Or get distracted by a volcano eruption and lose your place. Even worse, you might accidentally hear the sound of your own voice! Actor Max Greenfield (*New Girl*, *The Neighborhood*) and New York Times bestselling illustrator Mike Lowery, the duo behind *I Don't Want To Read This Book* and *This Book Is Not a Present*, are back with another side-splitting picture book that's sure to have kids shouting for repeat read-alouds.

Last Chance Christmas Hope Ramsay,2012-09-25 Dear Reader, I've been wishing for a miracle for my oldest boy, Stone, and this Christmas my prayers might just be answered! Her name is Lark, and she's here in Last Chance, looking into her father's past-and stirring up a whole mess of trouble without meaning to. As the chief of police, Stone sure has his hands full trying to keep up with her. Ever since his wife died, Stone's put everything into raising his daughters and dodging the Christ Church Ladies' Auxiliary matchmakers. And it's clear Lark has been through some trouble and could use a place to finally call home. I only hope Stone can let go of the past soon enough to keep her . . . Goodness, I need to stop talking and finish up Jane's highlights so we can make the town tree-lighting. You come back by because the Cut 'n' Curl's got hot rollers, free coffee, fresh-baked Christmas cookies-and the best gossip in town. See you real soon, Ruby Rhodes

A River Runs through It and Other Stories Norman MacLean,2017-05-03 The New York Times–bestselling classic set amid the mountains and streams of early twentieth-century Montana, “as beautiful as anything in Thoreau or Hemingway” (*Chicago Tribune*). When Norman Maclean sent the manuscript of *A River Runs Through It and Other Stories* to New York publishers, he received a slew of rejections. One editor, so the story goes, replied, “it has trees in it.” Today, the title novella is recognized as one of the great American tales of the twentieth century, and Maclean as one of the most beloved writers of our time. The finely distilled product of a long life of often surprising rapture—for fly-fishing, for the woods, for the

interlocked beauty of life and art—*A River Runs Through It* has established itself as a classic of the American West filled with beautiful prose and understated emotional insights. Based on Maclean's own experiences as a young man, the book's two novellas and short story are set in the small towns and mountains of western Montana. It is a world populated with drunks, loggers, card sharks, and whores, but also one rich in the pleasures of fly-fishing, logging, cribbage, and family. By turns raunchy and elegiac, these superb tales express, in Maclean's own words, "a little of the love I have for the earth as it goes by." "Maclean's book—acerbic, laconic, deadpan—rings out of a rich American tradition that includes Mark Twain, Kin Hubbard, Richard Bissell, Jean Shepherd, and Nelson Algren." —New York Times Book Review Includes a new foreword by Robert Redford, director of the Academy Award-winning film adaptation

Happy Belly, Happy Smile Rachel Isadora, 2009-09-28 Sitting in the kitchen of his grandfather's Chinese restaurant, a young boy enjoys watching the chefs and waiters prepare and serve mouth-watering dishes.

The House on Mango Street Sandra Cisneros, 2013-04-30 NATIONAL BESTSELLER • A coming-of-age classic about a young girl growing up in Chicago • Acclaimed by critics, beloved by readers of all ages, taught in schools and universities alike, and translated around the world—from the winner of the 2019 PEN/Nabokov Award for Achievement in International Literature. "Cisneros draws on her rich [Latino] heritage...and seduces with precise, spare prose, creat[ing] unforgettable characters we want to lift off the page. She is not only a gifted writer, but an absolutely essential one." —The New York Times Book Review *The House on Mango Street* is one of the most cherished novels of the last fifty years. Readers from all walks of life have fallen for the voice of Esperanza Cordero, growing up in Chicago and inventing for herself who and what she will become. "In English my name means hope," she says. "In Spanish it means too many letters. It means sadness, it means waiting. Told in a series of vignettes—sometimes heartbreaking, sometimes joyous—Cisneros's masterpiece is a classic story of childhood and self-discovery and one of the greatest neighborhood novels of all time. Like Sinclair Lewis's *Main Street* or Toni Morrison's *Sula*, it makes a world through people and their voices, and it does so in language that is poetic and direct. This gorgeous coming-of-age novel is a celebration of the power of telling one's story and of being proud of where you're from.
