Pride Ibi Zoboi,2018-09-18 In a timely update of Jane Austen's *Pride and Prejudice*, National Book Award finalist Ibi Zoboi skillfully balances cultural identity, class, and gentrification against the heady magic of first love in her vibrant reimaging of this beloved classic. A smart, funny, gorgeous retelling starring all characters of color. Zuri Benitez has pride. Brooklyn pride, family pride, and pride in her Afro-Latino roots. But pride might not be enough to save her rapidly gentrifying neighborhood from becoming unrecognizable. When the wealthy Darcy family moves in across the street, Zuri wants nothing to do with their two teenage sons, even as her older sister, Janae, starts to fall for the charming Ainsley. She especially can't stand the judgmental and arrogant Darius. Yet as Zuri and Darius are forced to find common ground, their initial dislike shifts into an unexpected understanding. But with four wild sisters pulling her in different directions, cute boy Warren vying for her attention, and college applications hovering on the horizon, Zuri fights to find her place in Bushwick's changing landscape, or lose it all. Zoboi skillfully depicts the vicissitudes of teenage relationships, and Zuri's outsize pride and poetic sensibility make her a sympathetic teenager in a contemporary story about race, gentrification, and young love. **Boy Mom** Monica Swanson,2019-08-06 This guidebook, packed with wisdom, practical advice, resources, and encouragement, explores how moms can equip their sons with what they most need to succeed in life. Monica Swanson knew she'd tapped a heartfelt concern when nearly two million readers shared her blog post *What a Teenage Boy Needs Most from His Mom*. In this helpful book, she takes mothers deeper into the insights they need for the boy-raising journey, covering topics from dealing with the daily influences of friends and technology to helping a boy grow to be physically, spiritually, and

emotionally healthy. She also addresses learning and finding passions, perspectives on relationships and dating, and work ethics and money management. Each chapter features relatable stories, handy checklists, and practical advice based on a combination of research, experience, and biblical truth to guide and equip a mom in helping her son achieve his God-given potential. Praise for *Boy Mom* “In *Boy Mom* Monica Swanson offers readers practical advice and resounding hope that parenting our sons well through all seasons is not only possible but also enjoyable. This book is like an essential trail guide that I’ll refer to again and again in the beautiful and challenging adventure of motherhood.”—Becky Keife, author of *No Better Mom for the Job* and mom of three spirited boys “Monica Swanson is the friend we all need in our lives: humble, straightforward, warm, full of wisdom, and short on nonsense—and she knows her stuff like no one else. In *Boy Mom* she holds the bar high yet is forthcoming about her own struggles and imperfections. Inside these pages you’ll find deeply rooted biblical and practical advice along with calls to action when you don’t know where to start. The *Boy Mom Manifesto* at the end will not only inspire you but also make your heart swell.”—Kate Merrick, author of *Here, Now: Unearthing Peace and Presence in an Overconnected World* “Monica Swanson is the ultimate *Boy Mom* mentor. While her perspective on parenting is grounded in biblical wisdom, each chapter holds excellent practical tools for how to work out that wisdom on a daily basis in our homes. Of course, we know there aren’t formulas that will ensure we get it all right, but we also know that gleaning wisdom from women who have gone before us (and are still in the trenches with us) is invaluable in the wonderful adventure of helping boys become all God created them to be.”—Jeannie Cunnion, author of *Mom Set Free*

I was so impressed by the results of the assignment that I felt the poems needed to be preserved in a bound document. Thus, this little book. These students completely captured the complexities of this region and their poems contain all the joys and sorrows of living in Appalachia. I am proud that they were my students and I am very proud that together we produced this record of contemporary Appalachian Life -- Silas House

*Our Place* Terry Gabbard, 2015 The unassuming location of a dock extending out onto a small lake serves as the backdrop for five different stories. On a cool autumn night, Jake arrives with Holly at a secluded spot. The couple feels an immediate

connection to this place as if it were put there just for them. Things seem perfect until Anne and her date, Lyle, arrive. On another day, early in the morning, Beth has plans to spend the day with her dad at their favorite fishing place. She has high hopes for catching some sunshine, a few fish, and her dad's fading memories. The third story involves Al, who arrives at the dock with his family and has high expectations for their family canoe trip. The only problem is that his wife would rather stay inside, his son has a chip on his shoulder, and his daughter is really weird. In the fourth story, Cory and Liberty are having a picnic lunch out by the lake, but a realization about tuna-fish sandwiches sends a shockwave through their relationship and brings about questions of who they are and what lies ahead for them. In the fifth story, Stanley escapes the hardships of his life to blow off some steam on the dock when Sidney, his 6-year-old sister, arrives. All he wants is for her to go away, but she insists on staying with him. The entire ensemble gathers on the dock together for the final scene. In a poetic epilogue, they all discover the true meaning of Our Place-- both comedic and tragic.

*Made to Crave* Lysa TerKeurst, 2010-12-21 What would happen if you started listening to your cravings instead of trying to silence them? If you're tired of the same old messages of eat less and move more, this book is what you've been missing. You know "how to" get healthy... but now there's finally a book to help you find your "want to"- the lasting emotional and spiritual motivation to meet your goals and stay healthy. The reality is we were made to crave. Craving isn't a bad thing. But we must realize God created us to crave more of him. Many of us have misplaced that craving by overindulging in physical pleasures instead of lasting spiritual satisfaction. New York Times bestselling author of *It's Not Supposed to Be This Way*, *Uninvited*, and *The Best Yes*, Lysa TerKeurst, invites you to find the missing link between a woman's desire to be healthy and the spiritual empowerment necessary to make that happen. In this book, Lysa will help you: Break the cycle of "I'll start again Monday" and feel good about yourself today. Stop agonizing over numbers on the scale and make peace with your body. Replace rationalizations that lead to failure with wisdom that leads to victory. Reach your healthy goals and grow closer to God through the process. This is not a how-to book. This is not the latest and greatest dieting plan. This book is the necessary companion for you to use alongside whatever healthy lifestyle plan you choose. This is a book and Bible study to help you find the want to in making healthy lifestyle choices.

*Is Sunday School Destroying Our Kids?* Samuel C Williamson, 2013-12 How do we make grace part of Christian living? Does Sunday School encourage discipleship and teach our children faith? People in the world often reject Christianity simply because they can't distinguish it from mere morality. The world needs morality--oppression thrives when consciences are abandoned--but we need more than that alone. We need the gospel of grace. A gospel that has largely been lost amid the dos and don'ts and preoccupations of religious culture. *12 Essays on the Distinction Between Grace and Morality* Includes perspectives on topics such as: Why Do Our Children Leave the Church? Graceless Goodness: The Problem with Moralism The

False Gospel of Just Do It  
The Temptations of Christian Publishing  
The Ugliness of Religious Righteousness  
The Insidious Danger of I'd Never Do That  
We Read the Bible the Wrong Way  
Comments from Readers I like what Sam Williamson has to say about how good people--people like us--may be piling burdens on our children they can't possibly bear. Has the good news of the gospel magically morphed into bad news for them? Read Sam's provocative new book to find out. -Ann Spangler, Author, Praying the Names of God (and many other books) These days we hear so much and think so little. We consume without digesting and then wonder why our body is acting strangely. In this book, Sam helps us look carefully, graciously, and wonder-fully at the Gospel and the beliefs of our heart. -Gary Barkalow, founding director of The Noble Heart, and Author, It's Your Call. This has got to be one of the best books on raising Godly children (or simply new believers) I've ever read. Thank you. -Brian This is as clearly and as beautifully communicated as I have heard the Gospel for a long time. -Bob This is such an excellent read!!! I wish all Christians could read it. What a great blessing to see this truth presented in a way that it is so easily understood. Thank you for this thoughtful book. - Linda This is a fitting warning that Christian education could fall into moralization (and idolizing heroes of faith). The same warning is applicable even to the whole teaching/preaching ministry of many churches. - Ray  
From the Book People often pit grace against moralism. And they should. Moralism circumvents heart-changed morality. We need moral men and women, but moralism damages the foundation of heart-change. It's okay to pit grace against moralism, but let's not pit grace against morality. Grace is the source of real morality, and grace--thank God!--breaks the bars of moralism that imprison us. Is Sunday School Destroying Our Kids? exposes moralism for its false pretensions--the sham that it is--and it moves our hearts to believe the gospel, for the first, or the hundred-and-first, time.
