Grown and Flown Lisa Heffernan,Mary Dell Harrington,2019-09-03 PARENTING NEVER ENDS. From the founders of the

#1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

Modern Calligraphy Molly Suber Thorpe, 2017-01-16 A perfect gift for anyone who wants to learn the write way to craft calligraphy. Calligraphy is about creating something uniquely beautiful, whether to celebrate a special occasion like marriage or to use every day in the form of stationery. Author Molly Suber Thorpe, an award-winning wedding invitation designer and calligrapher based in Los Angeles, works closely with her international clients to give them the distinctive products they're looking for. In *Modern Calligraphy*, you can learn from this experienced expert how to master this fresh modern lettering style. The first book to teach this bold new style breaks the calligraphy process down into simple steps so anyone can learn to create their own stunning wedding invitations, thank you cards, gift tags, and more. Starting with an overview of the supplies—from paper to ink to pens—you will learn how to form letters, words, and then phrases by following Molly's clear step-by-step instructions, and by practicing with the provided templates. After mastering letter forms using a pointed pen and ink you can take it to the next level by learning how to use watercolor and gouache, or how to digitize your calligraphy. The twenty projects in the book provide lots of inspiration for making your own and are grouped into three sections: weddings, entertainment, and personal stationery. With loads of ideas, practice exercises, and helpful tips, soon you will be turning out gorgeous script calligraphy pieces like the ones featured in wedding magazines and popular websites like Pinterest.

An Advanced Guide to Digital Photography Vincent Oliver,2005-03 *An Advanced Guide to Digital Photography* aims to unravel the complex world of digital imaging whilst also focusing on the images themselves. The time-honoured basics of composition, line and form remain fundamental but the new techniques, tools and materials of digital photography allow far greater control and expression than ever before. This book, the fourth in the Digital Photography series, is ideal for the enthusiast or professional, not just for the inspirational ideas it contains but as a source of reference for the future, when new approaches are sought or older ones revisited. This book will prove invaluable for anyone wishing to develop their skills from an intermediate level in digital photography and image processing to a semi-professional or professional level. For those seeking further creative inspiration for their work, it shares the techniques and tricks of the trade used to create stunning images. As well as tackling the equipment and technique necessary to master the advanced digital workflow and capture and edit the shot, the book features contributions from recognised digital 'masters' sharing the secrets of their expertise across a diverse range of photographic genres. The book is illustrated with images, diagrams and screengrabs that elucidate the photographer's technical and creative processes. Book jacket.
