**Mythical Me** Richella Parham, 2019-10-22 IVP Readers' Choice Award Do you ever find yourself stuck in the comparison trap? Speaker and author Richella Parham knows what this feels like. I couldn't break free from admiring one person's achievements, someone else's personality, another's skills, yet another's relationships. And don't get me started on how I looked at other people's appearances, she writes. I was haunted by the admirable attributes of other people, certain that I could never match their worthiness. No matter how well-intentioned the teaching or pithy the advice, I found that most of it didn't help me change my thoughts, feelings, or actions. While there are no easy answers, Parham has identified cultural and spiritual myths about others, God, and ourselves that keep us trapped. From there the journey is a spiritual one. We can pick up practices that help us walk in the freedom of Christ with confidence in ourselves. If you've ever suffered from tortured moments of comparison on Facebook, in the office, or in the hallway at church, you'll benefit from this fresh perspective.

Five-Ingredient Dinners America's Test Kitchen,2021-08-17 Test cooks share their favorite low-effort, high-reward complete weeknight dinners, most ready in an hour or less. Imagine surveying your pantry or fridge and realizing you already have every ingredient you need to make any number of fast, flavor-packed meals. Sounds like a dream? These back-pocket dinners make it a reality, with recipes that transform foods such as a rotisserie chicken, a baguette, hummus, or quinoa into full meals using just five ingredients (plus salt, pepper, and fat) that require little in the way of planning. What these recipes lack in ingredients, they more than make up for in flavor and creativity. We use simple techniques to our advantage to coax the maximum amount of oomph out of each component: Turn rotisserie chicken into a cheesy, melty tart with frozen spinach, Brie, and store-bought crust Shape lemony meatballs from ground chicken and quinoa--given a flavor boost from garlicky hummus that doubles as the base for a sauce Get resourceful with our Grilled Tofu with Charred Broccoli, Peanut Sauce, and Crispy Shallots, repurposing the often drained-away shallot frying oil to coat the broccoli before grilling for an added layer of savoriness With each recipe, a test cook's commentary gives an inside peek into the recipe creation process, whether offering a tip for using a high-impact ingredient like red curry paste or oil-packed sun-dried tomatoes (we help you compile a treasure trove of useful flavor bombs) or an imaginative technique (such as mincing carrot tops for a garnish). These recipes and tips will have you looking at your pantry with fresh eyes.
