Looking For Normal Steve Slavin, 2023-04-03 AN AUTISTIC BOY WHO BEAT THE ODDS. *Looking For Normal* is the memoir of author, musician and filmmaker, Steve Slavin. His obsession with music, at an early age, led to a long career in the creative arts, albeit one plagued by clinical depression and the symptoms of a condition he was unaware of until 2008. In recounting the 48 years that led to his autism diagnosis, this darkly humorous memoir will inform and inspire anyone with an interest in mental health and autism. But more than this, it is the story of an emotionally disturbed child, without a future who, against the backdrop of low expectation, became an ambitious, independent adult, with a wife, daughters, and a career stifled by the long shadow of his childhood dysfunction. A wonderful insight into an extraordinary life. - Peter Holmes Ph.D. Insightful, inspiring, informative and entertaining. *Looking For Normal* is not just about overcoming the adversities that life throws at you on a regular basis. It is also about someone's journey of accepting, embracing and celebrating everything that comes with having autism. - Dr RF (Senior practitioner Educational Psychologist).

Call the Nurse Mary J. MacLeod, 2013-04-04 Tired of the pace and noise of life near London and longing for a better place to raise their young children, Mary J. MacLeod and her husband encountered their dream while vacationing on a remote island in the Scottish Hebrides. Enthralled by its windswept beauty, they soon were the proud owners of a near-derelect croft house—a farmer's stone cottage—on “a small acre” of land. Mary assumed duties as the island's district nurse. Call the Nurse is her account of the enchanted years she and her family spent there, coming to know its folk as both patients and friends. In anecdotes that are by turns funny, sad, moving, and tragic, she recalls them all, the crofters and their laird, the boatmen and tradesmen, young lovers and forbidding churchmen. Against the old-fashioned island culture and the grandeur of mountain and sea unfold indelible stories: a young woman carried through snow for airlift to the hospital; a rescue by boat; the marriage of a gentle giant and the island beauty; a ghostly encounter; the shocking discovery of a woman in chains; the flames of a heather fire at night; an unexploded bomb from World War II; and the joyful, tipsy celebration of a ceilidh. Gaelic fortitude meets a nurse's compassion in these wonderful true stories from rural Scotland.

Now he's been returned to the United States with a covert mission: to kill a candidate running for US president . . . This "shocking, tense" and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). Breaking Vegan Jordan Younger,2015-11-01 Finding balance in life is a goal many of us strive to achieve. Whether it's through a healthy diet, exercise regimen, state of mind, relationship, or other activity (or all of the above), we spend our days trying to be, and become, our best selves. But what happens when all that focus starts to dominate our lives? When our desire for perfect health trumps everything else, perhaps without us even realizing it? What happens when our solution starts becoming the problem? These are questions that author and popular blogger Jordan Younger faced when she decided that her extreme, plant-based lifestyle just wasn't working in favor of her health anymore--and questions that you may be facing too. In *Breaking Vegan*, Jordan reveals how obsessive healthy dieting eventually led her to a diagnosis of orthorexia, or a focus on healthy food that involves other emotional factors and ultimately becomes dysfunctional, even dangerous. In candid detail, Jordan shares what it was like to leave veganism, the downfall of her desire to achieve nutritional perfection, and how

she ultimately found her way to recovery. In addition to this, Jordan outlines an anti-diet, whole-foods-based eating plan featuring more than 25 recipes to help inspire others to find similar balance in their own lives. Breaking Vegan is about tolerance and forgiveness. And ultimately, forging one's own path toward happiness.
